

K Olympic Semester Two Wrap Up

English

KO have worked really hard this semester. Last term, we wrote character descriptions and this term we have written lots of different persuasive, informative and entertaining texts. Students have continued with the InitialLit program and have now learnt all their sounds and are working on blending and segmenting words.

Mathematics

Lots of topics have been covered this semester in Maths! We are continuing to partition numbers, as well as exploring how to use partitioning to help with adding and taking away. We've also had some hands on investigations about volume, mass and 3D objects.

Geography and Science & Technology

This semester in Geography students learnt all about People live in Places and explored the places they live in and belong to. In Science & Technology we learnt about what different materials things are made from and explored how push and pull works.

SRC and Class Captains

Our SRC representative, Jana, has represented us with pride and has been an outstanding member of the Fair Squad. Onel and Matthew have been dedicated and diligent Class Captains. Thank you!

2023 Snapshots

Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well. Congratulations Haroun, Natalie, Jason, Ella, Aneta and Matthew on your outstanding attendance this year.

Seesaw

KO have worked really hard this year to create an impressive digital portfolio. Each week, students have uploaded a photo of their best writing and have learnt to record themselves reading their work. Make sure to have a look at everything we have been posting through the year!

I would like to congratulate K Olympic for a fantastic first year of school. You have all shown amazing progress. I am so proud of your hard work and dedication. I would like to thank all the families and students in KO for working so hard to achieve your personal best and for your effort in participating in school activities. You have made my first year at Fairvale Public School very special. I wish you all the very best in 2024.
