Semester Two Wrap Up

English

I have worked very hard this semester. Last term, we wrote informative writing about animals and insects. This term we have learnt about procedures and have enjoyed making some tasty treats.

Mathematics

Lots of topics have been covered this semester in Maths. We have learnt about addition and subtraction, partitioning and number bonds of 10. We have also investigated time and fractions.

History and Science & Technology

This semester we learnt all about features of places. In Science & Technology we have investigated Material World and Physical World.

SRC and Class Captains

Our SRC representative, Charmie, has represented us with pride and has been an outstanding member of the Fair Squad. Adhieu has been a dedicated Class Captain. Thank you!

Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well. Congratulations Dante, Chloe, Kezia, Charmie and Janelle on your outstanding attendance this semester.

Seesaw

I have worked very hard this year to create an impressive digital portfolio. Each week, students have uploaded a photo of work they are proud of, so make sure to have a look at everything we have been posting through the year!

Thank you for an amazing year 1J! We have made some incredible memories this year and I will miss you all. I wish you all a happy and safe holiday. I hope you enjoy spending time with your family!

♥ Miss Volpato
