

# 2/3 Noosa

## Semester Two Wrap Up

### English

2/3N have worked very hard this semester. Last term, we learnt how to write cinquain, limerick and couplet poems. This term we have been writing imaginative narratives and create amazing stories.

### Mathematics

Lots of topics have been covered this semester in Maths. We have been furthering our knowledge in place value, addition and subtraction and multiplication and division. We also have learnt about mass and position!

### History and Science & Technology

In Term 3, we conducted several experiments and learnt about how materials change when heated and cooled. In Term 4, we have been learning about how heat, light and electrical energy make things happen.

### SRC and Class Captains

Our SRC representative, Alberto, has represented us with pride and has been an outstanding member of the Fair Squad. Mia has been a dedicated Class Captain. Thank you!

### 2023 Snapshots

### Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well. Congratulations Narica and Musa on your outstanding attendance this semester.

### Seesaw

2/3N have worked very hard this year to create an impressive digital portfolio. Each week, students have uploaded a photo of work they are proud of, so make sure to have a look at everything we have been posting through the year!

Thank you for a phenomenal year 2/3N! We have made fantastic memories like visiting Sydney Zoo, hosting assemblies and celebrating Multicultural day! I hope you have a wonderful holiday celebrating Christmas and the New Year.
