

# 2 D o o r a g a n

## S e m e s t e r T w o W r a p U p

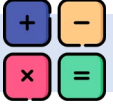

### English

2D have worked very hard this semester. We have been writing imaginative narratives to create amazing stories. We have also been working on our reading, spelling and vocabulary knowledge.

### Mathematics

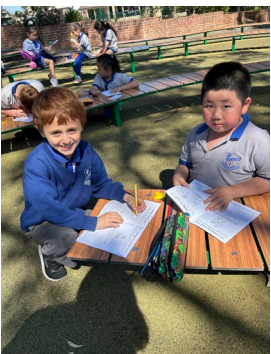

Lots of topics have been covered this semester in Maths. We have been furthering our knowledge in place value, addition and subtraction and multiplication and division. We also have learnt about mass and position!

### History and Science & Technology

This semester we learnt all about features of places. In Science & Technology we have investigated Material World and Physical World.

### 2023 Snapshots

### SRC and Class Captains

Our SRC representative, Maryana, has represented us with pride and has been an outstanding member of the Fair Squad. Ali has been a dedicated Class Captain. Thank you!

### Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well. Congratulations Margaryta and Gina on your outstanding attendance this semester.

### Seesaw

2D have worked very hard this year to create an impressive digital portfolio. Each week, students have uploaded a photo of work they are proud of, so make sure to have a look at everything we have been posting through the year!

Thank you for an amazing year 2D! I just want to say I am super proud of your all the progress you've all made this year. We have made some incredible memories this year and I will miss you all. I wish you all a happy and safe holiday. I hope you enjoy spending time with your family!
