

K/1 Nelson Lakes

Semester Two Wrap Up

English

K/1N have worked very hard this semester. Last term, we wrote informative writing about Australian animals. This term we have created poems and learnt how to follow and write procedures. We have made a pirate hat, pikelets and more.

Mathematics

Lots of topics have been covered this semester in Maths. We have learnt about commuting, partitioning, addition, subtraction and time. Kindy have also investigated 3D objects while Year 1 investigated fractions.

History and Science & Technology

This semester we learnt all about features of places. In Science & Technology we have investigated Material World and Physical World.

SRC and Class Captains

Our SRC representative, Millie, has represented us with pride and has been an outstanding member of the Fair Squad. Sally has been a dedicated Class Captain. Thank you!

2023 Snapshots

Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well. Congratulations Mason on your outstanding attendance this semester.

Seesaw

K/1N have worked very hard this year to create an impressive digital portfolio. Each week, students have uploaded a photo of work they are proud of, so make sure to have a look at everything we have been posting through the year!

Thank you for a phenomenal year K/1N! We have made fantastic memories like visiting Sydney Zoo, hosting assemblies and celebrating Multicultural day! I hope you have a wonderful holiday celebrating Christmas and the New Year.
