

# 3 Hamilton Island

## Semester Two Wrap Up

### English

### Mathematics

3H has had a busy semester in English. We have been exploring literary devices and identifying how authors use them to deliver a message. We've learnt to write engaging narratives and persuasive texts. We've explored different types of poems and learnt to write them.

This semester, we have had a strong focus on consolidating our understanding of place value. We've been exploring addition, subtraction, multiplication and division. We've also explored number patterns and the multiplicative relationships between fractions.

### Geography

### Science and Technology

This semester, we have been learning about the natural and human features of Australia and the diverse characteristics of Australia's neighbouring countries. We have also investigated how the protection of places is influenced by people's perceptions.

In Term 3, we conducted several experiments and learnt about how materials change when heated and cooled. In Term 4, we have been learning about how heat, light and electrical energy make things happen.

### Happy Snaps!

### Attendance Matters

Book Week Parade 2023: A day to celebrate how enjoyable books are to read! Loved the costumes!

This year we have been encouraging everyone to come to school every day. Congratulations to **Skylie** and **Murtaza** who have had excellent attendance this semester!

Education week fun! Today some of 3H dressed up as what they wanted to be when they grow up.

We all wore yellow for Sorry Day on Thursday Week 6 to brighten the future for First Nations kids.

### SRC and Class Captain

Congratulations to **Maryos** and **Isabella** who have represented our class as our Student Representative Council member and Class Captain

What an incredible year with everyone in 3 Hamilton Island! I just want to say that I am super proud of the progress you've all made this year. Each of you have worked so hard. I am so unbelievably impressed by your efforts in class! Thank you for being a part of 3H as we all laughed and learnt together. I wish each and every one of you all the best in the future and I know you will all do amazing things. I'll miss you all - remember to stay resilient and always be kind.

♥ Miss Huynh
