

5/6 Hull

Semester Two Wrap Up

English

5/6H have worked extremely hard this semester and have achieved some amazing results. Last term, we looked closely at a variety of texts and wrote a review about our favourite one. This term we have written lots of poetry, focusing on our thoughts and feelings about starting high school as well as creating a parody poems about a topic of their choice.

Mathematics

We have continued to cover a variety of concepts this semester in Maths! We are investigating the place value of numbers, as well as exploring how to use partitioning to help with multiplication and division of decimals. We've also explored a variety of problems to encourage students to use multiple strategies to find the solution.

Geography and Science & Technology

5/6H enjoyed the Science Unit 'Material World'. Students engaged in a range of experiments to investigate the different properties of solids, liquids and gases. During Geography lessons, we investigated The Diverse and Connected World, looking at the features and characteristics of places and environments.

SRC and Class Captain

Our SRC representative, Kayla, has represented us with pride and has been an outstanding member of the Fair Squad. Emily has been a dedicated and diligent Class Captain. Thank you!

Semester 2 Snapshots

Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well.

Congratulations to Calvin, Emily, Tiida, Christina on their outstanding attendance this year.

Highlights of Semester 2

We have created so many memories in our last semester of Year 6. Highlights most definitely are our 2-day excursion to Canberra, Multicultural Day celebrations, Fair Day, our visit to UWS at Campbelltown, Frankie Day and our Year 6 Graduation and Farewell. A perfect ending to our time at Fairvale Public School.

I would like to congratulate every one of you for your hard work and being a pleasure to teach. Never stop working hard, but remember to also take time to spend with your family and friends. Remember it's okay to make mistakes because it is how we learn. Always spread kindness wherever you go. Good luck and all the best – **Mr Ly**
