

6 Butterleaf Semester Two Wrap Up

English

6B have worked hard this semester and have achieved some amazing results. Last term, we looked closely at a variety of texts and we wrote a review about our favourite one. This term we have written lots of poetry focusing our thoughts and feelings about starting high school.

Mathematics

We have continued to cover a variety of concepts this semester in Maths! We are investigating the place value of numbers, as well as exploring how to use partitioning to help with multiplication and division of decimals. We've also exposed a variety of problems to encourage students to use multiple strategies to find the solution.

Geography and Science & Technology

6B enjoyed the Science Unit 'Material World'. Students engaged in a range of experiments when experimenting on the different properties of solids, liquids and gases. During Geography lessons, we investigated 'The Diverse and Connected World, looking at the features and characteristics of places and environments.

SRC and Class Captains

Our SRC representative, Yousif has represented us with pride and has been an outstanding member of the Fair Squad. Christian has been a dedicated and diligent Class Captain in Semester two. Thank you!

6B's Semester 2 Snapshots

Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well. Congratulations to Joey, Nermin and Gabriel on their outstanding attendance this semester!

Highlight of Semester 2

We have created so many memories in our last semester of Year 6. Biggest highlights would have to be the 2-day excursion to Canberra, Fairvale Festival, Multicultural Day celebrations, Fair Day, our visit to UWS at Campbelltown, Frankie Day and our Year 6 Graduation and Farewell dinner. A perfect ending to our time at Fairvale Public school. Also, a special congratulations to all our award winners at this year's Sport Assembly and a special mention to Nermin for being the Senior sports Person of 2023! Well Done!!

I would like to congratulate **6 Butterleaf** on a memorable semester of great learning. Each student should be proud of all the hard work they have achieved this semester. I like to wish you the very best of luck for 2024 and stay safe and happy over the festive season! Your teacher, **Mrs Bawa**.
