

6 Snowy River

Semester Two Wrap Up

A-Z

English

6S have worked extremely hard this semester and have achieved some amazing results. Last term, we look closely at a variety of texts and write a review about our favourite one.

This term we have written lots of poetry, focusing on our thoughts and feelings about starting high school.

Mathematics

We have continued to cover a variety of concepts this semester in Maths! We are investigating the place value of numbers, as well as exploring how to use partitioning to help with multiplication and division of decimals. We've also had some hands on investigations about volume, mass and position

Geography and Science & Technology

6S enjoyed the Science Unit 'Material World'. Students engaged in a range of experiments to investigate the different properties of solids, liquids and gases. During Geography lessons, we investigated The Diverse and Connected World, looking at the features and characteristics of places and environments.

SRC and Class Captains

Our SRC representative, Warina has represented us with pride and has been an outstanding member of the Fair Squad. Sarah has been a dedicated and diligent Class Captain.

Congratulations to both of you.

Semester 2 Snapshots

Attendance Matters

This year we have been encouraging everyone to come to school every day as long as they are feeling well.

Congratulations to Joelle, Jasmine, Mark and James for their outstanding attendance this semester.

Highlights of Semester 2

We have created so many memories in our last semester of Year 6. Highlights most definitely are our 2 day excursion to Canberra, Multicultural Day celebrations, Fair Day, our visit to UWS at Campbelltown, Frankie Day and our Year 6 Graduation and Farewell.

A perfect ending to our time at Fairvale Public School.

I would like to congratulate **6 Snowy River** on an incredible semester of listening, learning and laughing! I am so lucky to have been with such wonderful students for their final year at Fairvale. I will treasure the memories we have made forever.

Keep making people smile!

Mrs Sloggett
