

Welcome to 6Monaco (6M)

Taught by: Miss Marjanac

Information for parents:

Seesaw

Our class will be using the 'Seesaw app'. This provides you the opportunity to view the great work your child is completing at school. I also use this as a communication platform to send out reminders and messages of things happening at school. Please follow the prompts to connect to our Seesaw class page.

BYOD (Bring Your Own Device)

We are a BYOD classroom and I encourage all students to bring their devices to school (if available). Students will be able to use their devices in class for various activities such as their work, research, Google classroom etc. Students who have returned their BYOD contract may bring their devices to school **Monday to Thursday** only and they will be locked up in a safe place. *No devices are to be brought on Friday.* Students are responsible for their own devices and are given 3 strikes, which then the device will be taken to the office for parent collection.

Important information:

- 6M will have Music and Library every **Thursday**.
- Sport is on **Friday**.
- Homework will be given at the beginning of every fortnight. Students have 2 weeks to complete their homework and are expected to return their homework every second Friday.
- It is encouraged that students participate in home reading every night.

What to bring?

Students are to come to school prepared with all appropriate stationary such as:

- Pencil case
- Ruler
- Pens/pencils
- Coloured pencils
- Glue Stick
- Scissors
- Highlighters
- Headphones

I am looking forward to the exciting year ahead to support and encourage students to become life-long learners and reach their independent capacity to peruse their goals.

Miss Marjanac ☺
