

3 Angelfish

Welcome to 3 Angelfish in 2022. My name is Adrian Carbone and I am the classroom teacher for this year. I cannot wait to see what 2022 brings for all the superstars in 3 Angelfish! This year our classes at Fairvale are named after sea animals, 2022 is the year of Artisanal Fisheries and Aquaculture! Angelfish can be found in freshwater and salt water. There are over 90 species of Angelfish in the world. We have been learning Angelfish facts in class, ask your child to tell you what they have learnt about them.

Seesaw 	<p>Every student in 3A has an account with Seesaw. Each student has their own personal log in and I encourage families to follow along with their child's portfolio. Permission notes were sent home earlier this term and I kindly ask that they are returned as soon as possible. Students will be uploading work samples, photos, videos and sharing their learning journey throughout 2022 with you via this app. This will also be a place where I will share important class information and reminders, when necessary. Should you require help logging in and using Seesaw, please do not hesitate to come and see me.</p>
Homework	<p>Homework is given on a fortnightly basis. Students have 2 weeks to complete the activities and return it on Friday (even weeks - week 2, 4, 6, 8, 10). <i>I encourage you to come and see me if completing homework is causing any difficulty.</i></p>
Library	<p>Library is on Wednesday please ensure your child has a library bag so they can borrow books to take home.</p>
Attendance 	<p>It is very important that all students attend school every day and are on time, but we understand if your child is sick or there is an emergency. If your child is away please ensure you either call the office to inform us or send a note with your child on the next day that they are at school. This note needs to be returned within 7 days of the absence.</p>
Mathletics and Reading Eggs 	<p>We will continue to use both Reading Eggs, for English and Mathletics, for Mathematics this year. I will provide each student with a log in for each program. We will do some of these activities at school however, if you would work with your child at home that would be extremely helpful. Permission notes were sent home earlier this term and I kindly ask that they are returned as soon as possible.</p>
Sport	<p>Our sport day is on Friday. Please make sure your child is wearing their sports uniform and they have a drink bottle.</p>
Notes	<p>Please check your child's bag regularly as we will often send notes home with important information. Remember to check online to find the schools newsletter that goes out every fortnight.</p>

I look forward to an exciting year with your child. Please do not hesitate to contact me if you have any concerns or require help with anything at all.

Kind regards,

Adrian Carbone
