3 Humpback Whales 2022

Welcome to 3 Humpback Whales in 2022. My name is Miss Sarah Huynh. I am new to Fairvale Public School this year, and appreciate the support from all your students in ensuring I can navigate and feel welcome in a new school. I cannot wait to see what 2022

brings for 3 Humpback Whales! This year our classes at Fairvale are named after sea animals, 2022 is the year of Artisanal Fisheries and Aquaculture!

Humpback whales are enormous creatures — about the size of a school bus. They are known for their haunting and melodic songs and for breaching the water with amazing acrobatic abilities.

Attendance

It is very important that all students attend school every day, but we understand if your child is sick or there is an emergency. However, it is essential for children in their first year of schooling to attend school as much as possible. We do many important activities that will benefit students through the rest of their schooling. If your child is away please ensure you either call the office to inform us or send a note with your child on the next day that they are at school. This note needs to be returned within 7 days of the absence.

Concerns

If you ever have any concerns regarding your child whether that be academic or not, please feel free to come and see me. I will endeavour to solve your concern or provide you with the information you need. I may need to book a time to meet you, either to find out the correct information or to sit down and discuss properly your concern.

Reading Eggs and Mathletics

We are lucky enough to have access to both Reading Eggs, for English and Mathletics, for Mathematics. I will provide each student with a log in for each program. We will do some of these activities at school however, if you would work with your child at home that would be extremely helpful.

Names on belongings

Please ensure all of your child's belongings have their names on them. We often have hats and jumpers without names on them and they go missing. With winter coming up please make sure that you label everything!

Sports clothes on Friday

It is our sport day on Fridays so please ensure that your child is wearing their sports uniform. This will include white joggers for them to run in. PSSA is hopefully going to resume in 2022 for students in Years 3-6, so some students will have the opportunity to compete against other schools and represent Fairvale!

Notes

I will send all notes home inside your child's bag. Please check this regularly, we are a very busy school and we will often send notes home with important information. This will also include our school newsletter which is sent home every fortnight.

Seesaw

We will be sharing our learning in 3I through the use of Seesaw. Each child will have their own account which you can simply download on your phone if you have already not connected. You will be able to see pictures of learning, work samples and special events. I will contact you regularly through Seesaw so please check often.
