

# 4 Jellyfish 2022

Welcome to 4 Jellyfish in 2022. My name is Miss Chea, I am the classroom teacher for 4Jellyfish. I am excited to see what 2022 brings for 4Jellyfish. It will be a wonderful year full of learning, laughter and fun. This year our classes at Fairvale are named after sea animals, 2022 is the year of Artisanal Fisheries and Aquaculture! Did you know that Jellyfishes are the oldest multi-organ animal ?

## Attendance

It is very important that all students attend school every day, but we understand if your child is sick or there is an emergency. If your child is away, please ensure you either call the office to inform us or send a note with your child on the next day that they are at school. This note needs to be returned within 7 days of the absence.

## Concerns

If you ever have any concerns regarding your child whether that be academic or not, please feel free to come and see me. I will endeavour to solve your concern or provide you with the information you need. I may need to book a time to meet you, either to find out the correct information or to sit down and discuss properly your concern.

## Reading Eggs and Mathletics

We are lucky enough to have access to both Reading Eggs, for English and Mathletics, for Mathematics. I will provide each student with a log in for each program. We will do some of these activities at school however, if you would work with your child at home that would be extremely helpful.

## Names on belongings

Please ensure all your child's belongings have their names on them. We often have hats and jumpers without names on them and they go missing. With winter coming up please make sure that you label everything!

## Sports clothes on Friday

It is our sport day on Fridays so please ensure that your child is wearing their sports uniform. This will include white joggers for them to run in. PSSA is hopefully going to resume in 2022 for students in Years 3-6, so some students will have the opportunity to compete against other schools and represent Fairvale!

## Notes

I will send all notes home inside your child's bag. Please check this regularly, we are a very busy school, and we will often send notes home with important information. This will also include our school newsletter which is sent home every fortnight.

## RFF

On Tuesday this year, students will be participating in library, music and creative arts. Please encourage your children to borrow a book from the library and read their borrowed book at home. A library bag is needed to borrow a book

## Seesaw

We will be sharing our learning in 4Jellyfish using Seesaw. Each child will have their own account which you can simply download on your phone if you have already not connected. You will be able to see pictures of learning, work samples and special events. I will contact you regularly through Seesaw so please check often.
